A Touch of Elegance

This is the day you have dreamed about and now it is yours to plan. Let A Touch of Elegance be your partner in making it everything you have hoped for.

A Touch of Elegance is locally owned and operated and has been in business for more than 25 years. We pride ourselves on providing outstanding customer service. We are the largest supplier in the Greater Cincinnati area of catering to the private and corporate jet industry. You, too, can have the food of the stars by having your event at A Touch of Elegance

Planning an event can be overwhelming and time consuming. Let the staff here at A Touch of Elegance assist you with your planning. We offer a full service kitchen with four chefs on staff. Our food is one of the most mentioned conversations after an event. We offer a full service bar with knowledgeable bartenders and professional servers.

When people enter the building they are impressed starting right at the front door. That is because upon entering through the doors, you first look upon the grand bar in the Garden Room. After entering the Garden Room you will notice the large windows and quaint personable feel we have. You can look out to the garden with a lighted fountain and our newest addition, the Atrium, both of which can be used to hold a wedding ceremony or for cocktails and dancing, all of which is included with the Garden Room.

The large rooms and dance floor provide plenty of space to seat up to 340 guests. But wait, there is more, just look up above your head and you will see something of a one-of-a-kind custom "paddle wheel fans". Of course these are replicas of the old steamboats that traveled the Ohio River many years ago. You can return to the bar area and view incredible pictures from the Cincinnati Historical Society that show the days and lives that were spent on the mighty Ohio River.

Maybe you are looking for a smaller, more intimate area. Then view the lower level, known as the Salon/Stateroom. This smaller area holds up to 100 guests. It has a dance floor, a full service private bar, private restrooms and its own private entrance. This room can be used for smaller weddings, rehearsal dinners, showers, bachelorette or bachelor parties, class reunions, corporate events, or birthday parties.

A Touch of Elegance is a free standing banquet facility with the capability of having wedding ceremonies inside or in our outside atrium and garden with ample free parking. We are located just 7 minutes from downtown Cincinnati at 5959 Kellogg Avenue, next to I-275. We are an elegant facility and not to be confused with a strip mall location.

The following wedding packages are only a sample of what we can do for you. Our chefs can customize full service, sit down, hors d'oeuvres, and station menus. A bottle of champagne is provided with every wedding package at no additional charge.
